Please provide a description of the problem and any details that may assist us in our investigation. If you have several complaints on one property, it is important that you list each one in this box.

Neighbors see vagrants coming and going at all hours of the day and night. Noise from this abandoned property makes the neighbors nervous. Recently, two cars stolen from the neighborhood were found parked in front of this address. This property should be chain linked until the owner takes responsibility for what goes on there.

Maximum 1000 characters, 671 characters left.

Please select a complaint type that most clearly matches your description from the drop down menu. If the complaint type does not exist, select 'MISCELLANEOUS COMPLAINTS'
