## SEEKING VOLUNTEERS!

*The 2016 Hollywood Orchard signature event is right around the corner!*

We need volunteers for what will be a fantastically fun day of fruit picking and food making. It's a great way to use surplus fruit, and help grow our community! The majority of the fruit picked will be donated to our designated charity: *A Place Called Home*.

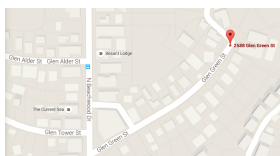

Friends of the Orchard, *Chefs Minh Phan and Ernest Miller*, are again working with us to create unique and delicious recipes which the community will make in our Pop-Up Kitchen.

## HOW YOU CAN HELP

Joining or leading a picking team, setting up the Pop-Up Kitchen, washing fruit, packing fruit, making a fabulous food item to take home and helping clean it all up at the end.

## WHERE WE WILL MEET

Hollywood Orchard Base Camp  
2588 Glen Green Street, Los Angeles, CA, 90068

Bring gloves, wear a hat and sunscreen for this event. If you drive, please park on Beachwood Drive.
