

BCNA Annual Dues Information

\$20 per year! ***What YOU Get:***

We are your advocate for neighborhood issues like traffic, street repaving, fire safety, brush clearance, hillside development, illegal dumping, tourist impacts, and more. Your issues are our issues and we're here to help.

What WE Do:

- Maintaining good rapport with our local government and departments.
- Project oriented: we have asked for handicapped curb cuts, better street signage for safety, and permit parking for the neighborhood impacted by the Franklin bars.
- We donate to community efforts like Cheremoya School and Hollywood Orchard and others.
- We work with State and Local government to establish flight rules for non-emergency helicopters flying over the Mt. Lee area.
- Advocate for neighbors impacted by the growing number of tourists and hikers competing for our limited neighborhood parking spaces.
- Assist in the formation of neighborhood watch groups and support their efforts to create a safer community.
- We create and distribute online newsletters to keep you updated on issues of local community interest. Get on the list at BeachwoodCanyon.org.
- We maintain a community website: BeachwoodCanyon.org and invite all members to have their local businesses highlighted in "Neighborhood Network".
