Under provisions of the Brown Act (Gov. Code Sec. 54959-54960), the DRB Board is a "legislative body" and must: 1) Conduct all quorum meetings in public; and 2) Seventy-two (72) hours before public meetings, post all agenda or issues considered for discussion. (The public notices are posted at the Department of City Planning and at the Council Offices.) If you challenge these agenda items in court, you may be limited to raising only those issues you or someone else raised at the public hearing agendized here, or in written correspondence on the matters delivered to this agency at or prior to the public hearing.

As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate. The meeting facility and its parking are wheelchair accessible. Sign language interpreters, assistive listening devices, language translators, or other auxiliary aids and/or other services may be provided upon request. To ensure availability of services, please make your request not later than three working days (72 hours) prior to the meeting by calling the staff person referenced in this notice.
