EFFECTIVE JULY 1ST

BANNED

Single-use carryout bags are banned in the City of LA at the following businesses:

- ✕ Apparel Stores
- ✕ Farmers Markets
- ✕ Hardware Stores
- ✕ Open-air Markets
- ✕ Food or Beverage Facilities

OK

PAPER BAG FOR 10¢

REUSABLE BAG

On July 1st, the second phase of a City ordinance will be in effect, expanding the 2013 ban on single-use carryout bags to additional retailers to further reduce plastic waste. Single-use plastics are a big source of pollution in our communities.

Visit lacitysan.org/sourcereduction for more info on our other plastics reduction initiatives.
